

INTERNSHIPS:

Two opportunities for Launch Ministry Interns (unpaid):

If you feel that serving in children's ministry is for you, this is a perfect opportunity to experience ministry first hand. Discover whether God may have a call on your life to make an eternal difference in the lives of children!

Launch Ministry Interns will assist the Ministry Leaders of Early Childhood (6 weeks-kindergarten), Elementary (1st-5th grade) and Carbon (special programming for 4th-5th grade) in preparing for the weekend services. This will include preparing small groups materials, leading a volunteer resource team, inputting programming materials into each room's computer, making buttons, cleaning toys, and any other needs to make the weekend a success.

The interns would also be present and available as needed on weekends to assist in rooms. This could include being a small group leader, making copies, supervising the current giving project, teaching the weekly classroom lesson, running technical equipment and/or any other needs that come up on the weekends.

The interns must enjoy working with children, be self-starters, detail-oriented, comfortable with a computer and have the ability to work at least two weekends per month (1-2 weekend days: Saturday 3pm to 7pm and Sunday 8am to 12:30pm) and work two 3-4 hour shifts on Tuesday, Wednesday and Friday afternoons between the hours of 12pm to 5pm, hours are flexible.

If you are interested in this internship opportunity, please contact Kathy Hindes, Assistant to Launch/Carbon Coordinator at Kathy.Hindes@heartland.cc for a ministry internship application packet.
